SATURDAY, AUGUST 2, 1856.

Legislative Council.

The 26th July 1856.

THE following Act, passed by the Legislative Council, received the assent of the Right Honorable the Governor General on the 25th July 1856, and is hereby promulgated for general information.

ACT No. XV OF 1856.

An Act to remove all legal obstacles to the marriage of Hindoo Widows.

WHEREAS it is known that, by the law as administered in the Civil Courts established in the territories in the possession and under the Government of the East India Company, Hindoo widows, with certain exceptions, are held to be, by reason of their having been once married, incapable of contracting a second valid marriage, and the offspring of such widows by any second marriage are held to be illegitimate and incapable of inheriting property: and whereas many Hindoos believe that this imputed legal incapacity, although it is in accordance with established custom, is not in accordance with a true interpretation of the precepts of their religion, and desire that the Civil law administered by the Courts of justice shall no longer prevent those Hindoos who may be so minded from adopting a different custom, in accordance with the dictates of their own consciences: and whereas it is just to relieve all such Hindoos from this legal incapacity of which they complain; and the removal of all legal obstacles to the marriage of Hindoo Widows will tend to the promotion of good morals and to the public welfare: It is enacted as follows:—

I. No marriage contracted between Hindoos shall be invalid, and the issue of no such marriage shall be illegitimate, by reason of the woman having been previously married or betroth-

ed to another person who was dead at the time of such marriage, any custom and any interpretation of Hindoo law to the contrary notwithstanding.

II. All rights and interests which any widow may have in her deceased husband's property by way of maintenance, or by inheritance to her husband or to his lineal successors, or by virtue of any will or testamentary disposition conferring upon her, without express permission to re-marry, only a limited interest in such property with no power of alienating the same, shall, upon her re-marriage, cease and determine as if she had then died; and the next heirs of her deceased husband, or other persons entitled to the property on her death, shall thereupon succeed to the same.

III. On the re-marriage of a Hindoo widow, if neither the widow nor any other person has been expressly constituted by the will or testamentary disposition of the deceased husband, the guardian of his children, the father or paternal grandfather, or the mother or paternal grandmother, of the deceased husband, or any male relative of the deceased husband may petition the highest Court having original jurisdiction in Civil cases in the place where the deceased husband was domiciled at the time of his death, for the appointment of some proper person to be guardian of the said children, and thereupon it shall be lawful for the said Court, if it shall think fit, to appoint such guardian, who, when appointed, shall be entitled to have the care and custody of the said children, or of any of them, during their minority, in the place of their mother; and in making such appointment the Court shall be guided, so far as may be, by the laws and rules in force touching the guardianship of children who have neither father nor mother. Provided that, when the said children have

not property of their own sufficient for their support and proper education whilst minors, no such appointment shall be made otherwise than with the consent of the mother, unless the proposed guardian shall have given security for the support and proper education of the children whilst minors.

IV. Nothing in this Act contained shall be

Nothing in this Act to render any childless widow capable of inheriting.

construed to render any widow, who, at the time of the death of any person leaving any property, is a childless widow, capable of inheriting the whole or any share of such property, if, before the passing of this Act, she would have been incapable of inheriting the same by reason of her being a childless widow.

V. Except as in the three preceding Sections is provided, a widow shall not,

by reason of her re-marriage, forfeit any property, or any right to which she would otherwise be entitled; and every widow who has re-married shall have the same rights of inheritance as she would have had, had such marriage been her first marriage.

VI. Whatever words spoken, ceremonies performed, or engagements made,

Whatever ceremonies now constitute a valid marriage shall have the same effect on the marriage of a widow.

on the marriage of a Hindoo female who has not been previously married, are sufficient to constitute a valid marriage, shall have the same effect if spoken, performed, or made on the marriage of a Hindoo widow; and no marriage shall be declared invalid on the ground that such words, ceremonies, or engagements, are inapplicable to the case of a widow.

VII. If the widow re-marrying is a minor

Consent to re-marriage of a widow who is a minor.

whose marriage has not been consummated, she shall not re-marry without the consent of her father, or if she has no father, of her paternal grandfather, or if she has no such grandfather, of her mother, or failing all these, of her elder brother, or failing also brothers, of her next male relative. All

Provided that, in any question regarding the validity of a marriage made contrary to the provisions of this Section, such consent as is aforesaid shall be presumed until the contrary is proved, and that no such marriage shall be declared void after it has been consummated. In the case of a widow who is of full age, or whose marriage has been consummated, her own consent shall be sufficient consent to constitute her re-marriage lawful and valid.

At a Half-yearly General Meeting of Subscribers to the Bengal Civil Fund, held at the Town Hall on the 30th July 1856:—

Present:—Messrs W. P. Palmer, C. Allen, G. G. Mackintosh, G. D. Wilkins, A. R. Young, F. J. Cockburn, E. F. Harrison, J. A. Crawford and H. A. Mangla.

G. D. Wilkins, Esquire, in the Chair.

Read the following Report submitted by the Managers:—

"The Managers have to report that only one admission to the benefits of the Fund is likely to become chargeable on the Accounts of the year 1855-56. This is on account of the family of the late Mr. W. A. Pringle (an Annuitant of the year 1844) who died on the 12th December last, and the claim of whose widow, three daughters and a son is deferred for want of necessary papers."

"An application from Mr. F. A. E. Dalrymple for admission on the Fund of a son, born on 3rd May 1848, is submitted for the decision of the Meeting. Mr. Dalrymple urges that there were peculiar circumstances which led him to withhold the child's name at the proper time so as to contribute for him from 1850, and that subsequently dangerous and protracted illness intervened and prevented communication of his wishes, but trusts that the subscribers will now admit his son upon the payment of a moderate fine."

"The wife of Mr. J. Cockburn has been admitted by the votes of the Service to the benefits

of the Fund, on payment by that Gentleman of a fine of Rs. 500, with arrears of subscription and interest; the result of the votes has been sent for publication in the *Calcutta Gazette*."

"At the General Meeting to be held in January next, a proposal will be brought forward on the part of the Managers to alter Article XVII. by prefixing to it a declaration that the presence of nine Members shall be necessary to form a Meeting, and that in the event of an insufficient attendance, the Secretary be empowered to fix an adjourned date for such Meeting by advertisement in the *Calcutta Gazette* and *Calcutta papers* not being later than fifteen days after the day originally appointed for the Meeting."

Resolved unanimously that Mr. F. A. E. Dalrymple's son be admitted on payment of the minimum fine of Rupees 100, and arrears of subscription from 1st January 1850, with interest.

Legislative Council.

The 26th July 1856.

The following Act, passed by the Legislative Council, received the Assent of the Right Honorable the Governor General on the 25th July 1856, and is hereby promulgated for general information:—

ACT NO. XV OF 1856.

An Act to remove all legal obstacles to the marriage of Hindoo Widows.

WHEREAS it is known that, by the law as administered in the Civil Courts established in the territories in the possession and under the Government of the East India Company, Hindoo widows, with certain exceptions, are held to be, by reason of their having been once married, incapable of contracting a second valid marriage, and the offspring of such widows by any second marriage are held to be illegitimate and incapable of inheriting property: and whereas many Hindoos believe that this imputed legal incapacity, although it is in accordance with established custom, is not in accordance with a true interpretation of the precepts of their religion, and desire that the Civil law administered by the Courts of justice shall no longer prevent those Hindoos who may be so minded from adopting a different custom, in accordance with the dictates of their own consciences: and whereas it is just to relieve all such Hindoos from this legal incapacity of which they complain; and the removal of all legal obstacles to the marriage of Hindoo widows will tend to the promotion of good morals and to the public welfare: It is enacted as follows:—

I. No marriage contracted between Hindoos shall be invalid, and the issue of no such marriage shall be illegitimate, by reason of the women having been previously married or betroth-

ed to another person who was dead at the time of such marriage, any custom and any interpretation of Hindoo law to the contrary notwithstanding.

II. All rights and interests which any widow may have in her deceased husband's property by way of maintenance, or by inheritance to her husband or to his lineal successors, or by virtue of any will or testamentary disposition conferring upon her, without express permission to re-marry, only a limited interest in such property with no power of alienating the same, shall, upon her re-marriage, cease and determine as if she had then died; and the next heirs of her deceased husband, or other persons entitled to the property on her death, shall thereupon succeed to the same.

III. On the re-marriage of a Hindoo widow, if neither the widow nor any other person has been expressly constituted by the will or testamentary disposition of the deceased husband, the guardian of his children, the father or paternal grandfather, or the mother or paternal grandmother, of the deceased husband, or any male relative of the deceased husband, may petition the highest Court having original jurisdiction in Civil cases in the place where the deceased husband was domiciled at the time of his death, for the appointment of some proper person to be guardian of the said children, and thereupon it shall be lawful for the said Court, if it shall think fit, to appoint such guardian, who, when appointed, shall be entitled to have the care and custody of the said children, or of any of them, during their minority, in the place of their mother; and in making such appointment the Court shall be guided, so far as may be, by the laws and rules in force touching the guardianship of children who have neither father nor mother. Provided that, when the said children have

not property of their own sufficient for their support and proper education whilst minors, no such appointment shall be made otherwise than with the consent of the mother, unless the proposed guardian shall have given security for the support and proper education of the children whilst minors.

IV. Nothing in this Act contained shall be construed to render any widow, who, at the time of the death of any person leaving any property, is a childless widow, capable of inheriting the whole or any share of such property, if, before the passing of this Act, she would have been incapable of inheriting the same by reason of her being a childless widow.

V. Except as in the three preceding Sections is provided, a widow shall not, by reason of her re-marriage, forfeit any property, or any right to which she would otherwise be entitled; and every widow who has re-married shall have the same rights of inheritance as she would have had, had such marriage been her first marriage.

VI. Whatever words spoken, ceremonies performed, or engagements made, on the marriage of a Hindoo female who has not been previously married, are sufficient to constitute a valid marriage, shall have the same effect if spoken, performed, or made on the marriage of a Hindoo widow; and no marriage shall be declared invalid on the ground that such words, ceremonies, or engagements, are inapplicable to the case of a widow.

VII. If the widow re-marrying is a minor whose marriage has not been consummated, she shall not re-marry without the consent of her father, or if she has no father, of her paternal grandfather, or if she has no such grandfather, of her mother, or failing all these, of her elder brother, or failing also brothers, of her next male relative. All persons knowingly abetting a marriage made contrary to the provisions of this Section shall be liable to imprisonment for any term not exceeding one year, or to fine, or to both. And all marriages made contrary to the provisions of this Section may be declared void by a Court of law. Provided that, in any question regarding the validity of a marriage made contrary to the provisions of this Section, such consent as is aforesaid shall be presumed until the contrary is proved, and that no such marriage shall be declared void after it has been consummated. In the case of a widow who is of full age, or whose marriage has been consummated, her own consent shall be sufficient consent to constitute her re-marriage lawful and valid.

Nothing in this Act shall render any childless widow capable of inheriting the whole or any share of such property, if, before the passing of this Act, she would have been incapable of inheriting the same by reason of her being a childless widow.

W. MORGAN,
Clerk of the Council.

THE MINT MASTER,
Calcutta.

SIR,

Be pleased to receive into the Bullion Depot, for the purpose of being melted, or cut and burned at my (our) sole risk and expense (Tolas annas) Tolas (here state the description and weight in full), and to grant your receipt for the resulting weight of ingots or cut pieces, or such portion of them as shall, agreeably to the Rules, be considered fit for coinage, entitling me (us) to receive from the Assay Office a certificate of value payable at the General Treasury.

The Bullion will be delivered to you by Mr. who is authorized to superintend its melting or cutting and burning on my (our) behalf, and who will attend for that purpose at such times as may be appointed.

Yours obediently,

Calcutta,

The 185 }

3rd. All Bullion or Coin tendered for coinage must, previous to delivery, be melted in the Bullion Depot premises, under the superintendence of the Mint Melting Establishment, with the exception of gold bars of the fineness of B 16

and upwards, which may be cut and burned, or melted, at the option of the Mint Master.

4th. Bullion, on arrival at the Bullion Depot adjoining the Mint premises, will be dealt with according to Regulations from time to time established by the Mint Master with the sanction of the Mint Committee, and after it has been melted or cut and burned, it must be delivered to the Head Assistant in the Bullion Office of the Mint, and registered, when the proprietor will be furnished with a receipt, agreeably to Form A. of the weight of clean malleable Silver, or Gold, as shown by the Mint Scale at the time of registry.

5th. No transfer of Bullion from the name of one proprietor to that of another can be permitted after it has once been tendered to the Mint. No Bullion can be withdrawn previous to registry, except sweepings and spillages of Bullion actually melted, or cut and burned, without the payment of a fee of Rupees 2 for each Pass prepared for that purpose.

6th. It is to be understood that, until the Bullion or Coin has been delivered, agreeably to Rule 4, at the Mint Scale, to the Head Assistant in the Bullion Office, it is in the custody, and at the sole risk of the importer, to whom every facility will be afforded for securing it in the strong room appropriated for that purpose.

7th. The Receipts mentioned in Rule 4 shall be changed in the Assay Office for Certificates, agreeably to Form B. payable at the General Treasury (20) twenty days after date, and showing the net value in Company's Rupees of the proprietor's treasure, with reference to its weight and assay, after making the following deductions for Seignorage, Refinage, and Premelting charges.

8th. The Seignorage on Gold Bullion or Coin shall be at one per cent. of the standard value. The Seignorage on Sicca Rupees shall be at one per cent. There shall be no Seignorage on short weight Madras, Furruckabad, or Company's Rupees.

The Seignorage on all other descriptions of Silver Coins and Bullion shall be two per cent.

9th. The Refinage charge on Silver below 6 dwts in assay worse than the Indian standard shall be at the rate of 1/4 per cent per dw. of worseness.

The Refinage charge on Gold shall be at the rate of one-half per cent for every five carat grains of worseness below the Indian standard.

10th. The Premelting charge on Gold shall be at the rate of (Rs 3-12-0) three Company's Rupees and twelve annas per one thousand tolas of Standard Gold, and on Silver at the rate of (Rs 1) one Company's Rupee per one thousand standard tolas. These charges are to be deducted universally, whether the Bullion be melted, or cut and burned.

11th. Importers of Bullion or Coin shall be at liberty to withdraw the same after registry, within the day following the receipt of the Assay Report, but at no later period, on payment of an Assay fee of (4) four Rupees for each assay of Gold and (2) two Rupees for each assay of Silver, and the Premelting charges above mentioned.

12th. Should Bullion, after being premelted, prove to be brittle, and not adapted for coinage, it shall be returned to the proprietor, and passed out of the Mint under a written Pass signed by the Mint Master, and endorsed by the proprietor, who shall pay the charge for premelting the same at the prescribed rate calculated on the gross weight in tolas.

18th. Double melting fees will be charged for all Bullion received during holidays; and it is to be clearly understood, that when workmen cannot be procured during holidays at the Mint, tenders of Bullion made at such times will be refused.

Proceedings of a General Meeting of the Proprietors of the Bank of Bengal, held at the Bank Premises, on Monday, the 4th August 1856, agreeably to the XXXVI. Section of the Charter Act No. VI. of 1839.

MR. DAVID COWIE, having been called to the Chair, the Secretary, by the order of the Directors, placed in his hands the Papers noted in the margin, relative to the business of the year ended 30th June last.

Resolved.—That the Accounts be passed and approved.

Proposed by A. B. Mackintosh, Esq., and seconded by F. O'Shaughnessy Esq., that it being the practice in all Banking Institutions, and in all Public Companies, to remunerate the Directors for their attendance at Board Meetings by prescribed fees, the Proprietors consider it incumbent upon them, and an act of justice to the Directors, to adopt a similar Rule in the Bank of Bengal.

It is therefore resolved, that a fee of 25 Rupees be presented to each Director, on the occasion of his attendance at the Weekly Board Meetings.

Baboo Gobind-Chunder Dutt proposed, as an amendment, which was seconded by Baboo Luckenarain Dutt, that the Resolution be first submitted to the Proprietors at large. The amendment, being put to the vote, was negatived, and the original Resolution carried.

Thanks were then given to the Chairman, when the Meeting terminated.

(Signed) DAVID COWIE,
Chairman.

I. Regulation XXII. 1816, Regulation VII. 1817, Section VI Regulation III. 1821, and Section IV Regulation II. 1832, of the Bengal Code, and Act XV of 1837, are hereby repealed, except as to any act which shall have been done, or any liability which shall have been incurred, before the passing of this Act. Provided that the monthly

assessment levied, under Regulation XXII. 1816, and Act XV of 1837, in any city or station at the time of the passing of this Act, shall continue to be levied until the same shall be revised and altered under the provisions of this Act.

Existing assessment to continue to be levied until revised, according to this Act.

II. The provisions of this Act shall have effect in the cities and stations in which the said Regulation XXII. 1816 has heretofore been in force, and in every other city, station, town, suburb, and bazaar in the said Presidency to which the Local Government at any time may extend the same by Notification in the Official Gazette.

Provided always, that this Act shall not be extended to any city, town, suburb, or bazaar, unless there be therein (or in some other city, town, suburb, or bazaar with which the same may be united as hereinafter provided) a Police Station under an officer of a grade not below that of Jemadar, nor to any agricultural village.

III. The Government may, by Notification to be published in the Official Gazette, unite, for the purposes of this Act, any city, town, suburb, station, or bazaar, or any part or parts of a city, town, suburb, station, or bazaar, with any other city, town, suburb, station, or bazaar, or part or parts of a city, town, suburb, station, or bazaar ; and in such case the law applicable to a city, town, suburb, station, or bazaar shall apply to such union.

IV. For the purposes of this Act the Local Government may define and declare the limits of any city, town, suburb, station, bazaar, or union, and all occupiers of houses within any such city, town, suburb, station, bazaar, or union as aforesaid, or within such limits as shall be so defined as aforesaid, shall be liable to be assessed or rated according to the provisions of this Act for the purpose of maintaining the Chowkeydars appointed to be maintained in such city, town, station, suburb, bazaar, or union.

V. If any house be let out in portions to different persons, or be let out to or occupied by lodgers or travellers, the person who shall so let the same, or who shall receive the rents or payments from such persons or lodgers or travellers, shall, for the purposes of this Act, be deemed to be the occupier of such house.

VI. The Magistrate may cause a name to be given to any street and affixed in such place or places as he may think fit, and may also cause a number to be affixed to every house in any street or mohulla for the purpose of identifying such house ; and if any person shall wilfully remove, obliterate, or destroy such name or number, he shall be liable, on conviction by a Magistrate, to a fine not exceeding twenty Rupees.

VII. The Magistrate shall determine the number of Chowkeydars to be maintained in any city, town, or other such place as aforesaid ; but the number of Chowkeydars so to be maintained shall not exceed one to every twenty-five houses.

VIII. The Chowkeydars appointed under this Act may be of different grades, and the wages to be paid to the several grades shall be determined by the Magistrate.

To what places the Act shall apply.

Unions may be formed.

Government may define limits of cities, towns, &c.

Houses let to lodgers how to be assessed.

Magistrate to determine number of Chowkeydars.

Proviso.

Grades and wages of Chowkeydars.

IX. The Magistrate shall determine the total amount required to be raised in any year in any city, town, or other such place as aforesaid, for the purpose of maintaining the Chowkeydars appointed to be maintained therein, and for the purposes specified in Sections XXXIII, XXXIV, XXXV, and XXXVI of this Act, together with such sum as the Magistrate may consider necessary to provide against the contingency of losses from defaulters in the current year, and the amount of losses, if any, actually sustained from defaulters in the preceding year.

X. The tax to be levied in any city, town, or other place as aforesaid, for the purposes of this Act, may be either an assessment according to the circumstances and the property to be protected of the persons liable to the same, or a rate on houses and grounds according to the annual value thereof. The Local Government, on the report of the Magistrate and Commissioner of Circuit, shall determine in each case whether the tax to be levied shall be such assessment or such rate.

XI. If the tax be an assessment according to the circumstances and the property to be protected of the persons liable to the same, the aggregate sum to be raised by such tax shall not exceed the average rate of two annas per mensem for each house, and the amount assessed in respect to any one house shall not be more than the pay of a Chowkeydar of the lowest grade. If the tax be a rate on houses and grounds, it shall not exceed five per centum of the annual value thereof.

XII. For the purpose of making a rate under this Act, the annual value of the houses and grounds liable to the rate shall be computed and ascertained upon an estimate of the gross annual rent at which the same might reasonably be expected to let from year to year. Grounds used for purposes of trade shall be liable to the rate, but grounds used for the purpose of cultivation or for depasturing cattle shall not be liable.

XIII. The Magistrate may, at his discretion, exempt from the assessment or rate, or may relieve from the payment of his assessment or rate, any occupier who may be unable from poverty to pay the same.

XIV. For the purposes hereinafter mentioned, the Magistrate shall constitute and appoint a punchayet for each such city, town, or other place as aforesaid, or, when he may see fit to divide any such city, town, or place into convenient divisions, for each division thereof, and shall issue a sunnud of appointment, specifying the names, residence, business, or other description of the persons appointed and the period for which the appointment is made. Every punchayet shall consist of three or five respectable persons residing or carrying on business in or near to any such city, town, or other place, or in or near to any such division thereof. Provided that, instead of any one such person, the Magistrate may appoint any person whom he may think fit to be a member of the punchayet, notwithstanding such person may not reside or carry on business in

Magistrate may appoint a person residing in the place to be a member of punchayet.

or near to such city, town, or other place, or in or near to any such division thereof.

XV. The punchayet so appointed, or the majority of them, shall, once in every year, if required so to do by the Magistrate, prepare and make, in accordance with the rules laid down in the requisition, an assessment or rate upon the several persons liable to be assessed or rated in respect of their occupation of property within the district (whether city, town, or other place as aforesaid, or any division thereof) for which the punchayet shall be appointed, and shall enter the same in a list which shall specify the names of the several occupiers of property within the district liable to be assessed or rated under the provisions of this Act, the trade, business, or other description of such occupier, the property occupied, and the amount payable monthly by such occupier. If the tax be a rate on the annual value of the property occupied, such annual value and the total amount of the annual rate shall also be specified. The requisition of the Magistrate to the punchayet to make out such list shall be in the form marked A. or B, as the case may be, set forth in the Appendix to this Act annexed, or to the like effect.

XVI. The punchayet shall, if required by the Magistrate so to do, instead of making a new assessment or rate, revise and amend the assessment or rate then in force.

XVII. When an assessment or rate shall have been made or revised, in the case may be, the punchayet shall forward to the Magistrate the list containing the same; and the Magistrate shall revise, and, if necessary, amend and settle it.

XVIII. When the assessment or rate shall have been settled, the Magistrate shall sign the list, and shall cause one copy thereof, together with a Notification prepared according to the form marked C. in the Appendix to this Act, or to the like effect, and written in the language of the Province in which the city, town, or place is situate, to be stuck up in some conspicuous place in the district for which the assessment or rate has been made; and another copy, together with a like Notification, at the nearest Police thanna; and shall also cause a third copy to be deposited in his own office.

XIX. Unless after provided, every assessment or rate under this Act shall stand good for one whole year, and until a new one is made, and in case the occupier of any property included in any assessment or rate shall be changed before a new one is made, the new occupier shall be liable in respect of such property for any portion of the assessment or rate which shall have become payable during his occupation instead of the former occupier thereof; and after notification to such person, the Magistrate may cause his name to be substituted in the said list for the name of the former occupier.

Every assessment or rate which shall be revised according to the provisions of Section XVI shall be deemed a new assessment or rate. Provided always, that, if no new assessment or rate is made within the first three months of any year, the list of the previous year shall be re-published according to the provisions of Section XVIII, and shall thereupon be deemed to be the assessment or rate for the current year, and shall be open to appeal under the next succeeding Section.

XX. Any person assessed or rated, who shall be dissatisfied with his assessment or rate, or who shall dispute his occupation of any property on his liability to be assessed or rated, may appeal on unstamped paper to the Magistrate, and the Magistrate, after making such inquiries as he deems necessary, by examination of the appellant on oath or solemn affirmation, or otherwise, may confirm the assessment or rate or amend the same. In case the Magistrate confirm the assessment or rate, he may award costs against the appellant. The decision of the Magistrate in such cases shall be final, and no objection shall be taken to any assessment or rate, nor shall the liability of any person to be assessed or rated be questioned in any other manner or by any other Court. Provided that no appeal shall be received after the expiration of one month from the time of the notification of the assessment or rate prescribed by Section XVIII, or of the notification of the substitution of the name of an occupier under Section XIX, unless the Magistrate, upon reasonable cause shown, shall extend the time for receiving such appeal.

XXI. The Commissioner of Circuit, with the consent of the Local Government, may at any time direct the Magistrate to revise the assessment or rate of any city, town, or other place as aforesaid, specifying the reasons which, in his opinion, render such revision necessary, and the Magistrate shall, according to such direction, revise and, if necessary, amend the same.

XXII. The Magistrate may require the punchayet to revise the assessment or rate at any period during the year; but on every such occasion he shall address a written order to the punchayet, specifying the reasons which render such revision necessary, and requiring an amended return within a stated period.

XXIII. Whenever any assessment or rate is revised during the year, as provided in the two last preceding Sections, a revised list, together with a Notification as prescribed in Section XVIII, shall be prepared and published in the manner therein directed. And all objections to such revised assessment or rate shall be made and dealt with in the manner prescribed in Section XX.

XXIV. If any person appointed a member of a punchayet refuse to undertake the office, or omit to perform the duties thereof, and do not, within fifteen days from the date of his appointment, show satisfactory grounds for his

refusal or omission, or provide such a substitute as the Magistrate approves, the Magistrate may fine such person in a sum not exceeding fifty Rupees.

XXV. If the persons appointed a punchayet, or a majority of them, refuse, or omit, for a period of fifteen days after the receipt of an order from the Magistrate, to perform the duties required of them, the Magistrate may himself make or revise the assessment or rate, and may enforce the same as if it had been made or revised in the first instance by the punchayet. Provided that the functions of the punchayet shall not thereby absolutely cease and determine, but may be resumed at any time, only not so as to invalidate any act done by the Magistrate under this Section.

XXVI. No person shall be bound to act on a punchayet unless he shall reside or carry on business within the limits of the district for which the punchayet is to be appointed.

XXVII. Every punchayet shall be appointed for the period of one year, and no person shall be compelled to serve on a punchayet for more than one year at a time, or within less than three years after the expiry of previous service; but nothing in this Section shall prevent any person from being appointed to serve on a punchayet at any time whatsoever with his own consent.

XXVIII. If a majority of the persons assessed or rated in any district for which a punchayet shall be appointed, not being in arrears, make application in writing to the Magistrate for the removal of any member of the punchayet appointed for such district, the Magistrate, if he think it expedient, may remove such member from the punchayet.

Legislative Council.

The 9th August 1856.

THE following Bill, as settled in Committee of the whole Council on the 9th of August 1856, is re-published for general information :—

A Bill to make better provision for the appointment and maintenance of Police Chowkeydars in Cities, Towns, Stations, Suburbs and Bazaars in the Presidency of Fort William in Bengal.

WHEREAS it is expedient to make better provision for the appointment and maintenance of Police Chowkeydars in cities, towns, stations, suburbs, and bazaars in the Presidency of Fort William in Bengal, beyond the local limits of Her Majesty's Supreme Court : It is enacted as follows :—

I. Regulation XXII. 1816, Regulation VII. 1817, Section VI Regulation III. 1821, and Section IV Regulation II. 1832, of the Bengal Code, and Act XV of 1837, are hereby repealed, except as to any act which shall have been done, or any liability which shall have been incurred, before the passing of this Act. Provided that the monthly assessment levied, under Regulation XXII. 1816, and Act XV of 1837, in any city or station at the time of the passing of this Act, shall continue to be levied until the same shall be revised and altered under the provisions of this Act.

II. The provisions of this Act shall have effect in the cities and stations in which the said Regulation XXII. 1816 has heretofore been in force, and in every other city, station, town, suburb, and bazaar in the said Presidency to which

the Local Government at any time may extend the same by Notification in the Official Gazette.

Provided, that this Act shall not be extended to any

city, town, suburb, or bazaar, unless there be therein (or in some other city, town, suburb, or bazaar with which the same may be united as hereinafter provided) a Police Station under an officer of a grade not below that of Jemadar, nor to any agricultural village.

III. The Government may, by Notification to be published in the Official Gazette, unite, for the purposes of this Act, any city,

town, suburb, station, or bazaar, or any part or parts of a city, town, suburb, station, or bazaar, with any other city, town, suburb, station, or bazaar; and in such case the law applicable to a city, town, suburb, station, or bazaar shall apply to such union.

IV. For the purposes of this Act the Local Government may define and declare the limits of any city, town, suburb, station, bazaar, or union, and all occupiers of

houses within any such city, town, suburb, station, bazaar, or union as aforesaid, or within such limits as shall be so defined as aforesaid, shall be liable to be assessed or rated according to the provisions of this Act for the purpose of maintaining the Chowkeydars appointed to be maintained in such city, town, station, suburb, bazaar, or union.

V. If any house be let out in portions to different persons, or be let out to or occupied by lodgers or travellers, the person who shall so let the same, or who shall receive the rents or payments from such persons or lodgers or travellers, shall, for the purposes of this Act, be deemed to be the occupier of such house.

VI. The Magistrate may cause a name to be given to any street and affixed in such place or places as he may think fit, and may also cause a number to be affixed to every house in any street or mohulla for the purpose of identifying such house; and if any person shall wilfully remove, obliterate, or destroy such name or number, he shall be liable, on conviction by a Magistrate, to a fine not exceeding twenty Rupees.

VII. The Magistrate shall determine the number of Chowkeydars to be maintained in any city, town, or other such place as aforesaid; but the number of Chowkeydars so to be maintained shall not exceed one to

every twenty-five houses.

VIII. The Chowkeydars appointed under this Act may be of different grades, and the wages to be paid to the several grades shall be determined by the Magistrate.

IX. The Magistrate shall determine the total amount required to be raised in any year in any city, town, or other such place as aforesaid, for the purpose of maintaining the Chowkeydars appointed to be maintained therein, and for the purposes specified in

Sections XXXIII, XXXIV, XXXV, and XXXVI of this Act, together with such sum as the Magistrate may consider necessary to provide against the contingency of losses from defaulters in the current year, and the amount of losses, if any, actually sustained from defaulters in the preceding year.

X. The tax to be levied in any city, town, or other place as aforesaid, for the purposes of this Act, may be either an assessment according to the circumstances and the property to be protected of the persons liable to the same, or a rate on houses and grounds according to the annual value thereof. The Local Government, on the report of the Magistrate and Commissioner of Circuit, shall determine in each case whether the tax to be levied shall be such assessment or such rate.

XI. If the tax be an assessment according to the circumstances and the property to be protected of the persons liable to the same, the aggregate sum to be raised by such tax shall not exceed the average rate of two annas per mensem for each house, and the amount assessed in respect to any one house shall not be more than the pay of a Chowkeydar of the lowest grade. If the tax be a rate on houses and grounds, it shall not exceed five per centum of the annual value thereof.

XII. For the purpose of making a rate under this Act, the annual value of the houses and grounds liable to the rate shall be computed and ascertained upon an estimate of the gross annual rent at which the same might reasonably be expected to let from year to year. Grounds used for purposes of trade shall be liable to the rate, but grounds used for the purpose of cultivation or for depasturing cattle shall not be liable.

XIII. The Magistrate may, at his discretion, exempt from the assessment or rate, or may relieve from the payment of his assessment or rate, any occupier who may be unable from poverty to pay the same.

XIV. For the purposes hereinafter mentioned, the Magistrate shall constitute and appoint a punchayet for each such city, town, or other place as aforesaid, or, when he may see fit to divide any such city, town, or place into convenient divisions, for each division thereof, and shall issue a sunnud of appointment, specifying the names, residence, business, or other description of the persons appointed and the period for which the appointment is made. Every punchayet shall consist of three or five respectable persons residing or carrying on business in or near to any such city, town, or other place, or in or near to any such division thereof. Provided that, instead of any one such person, the Magistrate may appoint any person whom he may think fit to be a member of the punchayet, notwithstanding such person may not reside or carry on business in or near to such city, town, or other place, or in or near to any such division thereof.

XV. The punchayet so appointed, or the majority of them, shall, once in every year, if required so to do by the Magistrate, prepare and make, in accordance with the rules

laid down in the requisition, an assessment or rate upon the several persons liable to be assessed or rated in respect of their occupation of property within the district (whether city, town, or other place as aforesaid, or any division thereof) for which the punchayet shall be appointed, and shall enter the same in a list which shall specify the names of the several occupiers of property within the district liable to be assessed or rated under the provisions of this Act, the trade, business, or other description of such occupier, the property occupied, and the amount payable monthly by such occupier. If the tax be a rate on the annual value of the property occupied, such annual value and the total amount of the annual rate shall also be specified. The requisition of the

Form of Magistrate's requisition.

Magistrate to the punchayet to make out such list shall be in the form marked A. or B., as the case may be, set forth in the Appendix to this Act annexed, or to the like effect.

XVI. The punchayet shall, if required by the Magistrate so to do, instead of making a new assessment or rate, revise and amend the assessment or rate then in force.

Punchayet may revise existing assessment or rate.

XVII. When an assessment or rate shall have been made or revised, as the case may be, the punchayet shall forward to the Magistrate the list containing the same; and the Magistrate shall revise, and, if necessary, amend and settle it.

Magistrate may amend and settle assessment or rate as revised by the punchayet.

XVIII. When the assessment or rate shall have been settled, the Magistrate shall sign the list, and shall cause one copy thereof, together with a Notification prepared according to the form marked C. in the Appendix to this Act, or to the like effect, and written in the language of the Province in which the city, town, or place is situate, to be stuck up in some conspicuous place in the district for which the assessment or rate has been made; and another copy, together with a like Notification, at the nearest Police thanna; and shall also cause a third copy to be deposited in his own office.

Assessment or rate to be published.

XIX. Unless revised or corrected as herein-after provided, every assessment or rate under this Act shall stand good for one whole year, and until a new one is made, and in case the occupier of any property included in any assessment or rate shall be changed before a new one is made, the new occupier shall be liable in respect

of such property for any portion of the assessment or rate which shall have become payable during his occupation instead of the former occupier thereof; and after notification to such person, the Magistrate may cause his name to be substituted in the said list for the name of the former occupier. Every assessment or rate which shall be revised

according to the provisions of Section XVI shall be deemed a new assessment or rate. Provided always, that, if no new assessment or rate is made within the first three months of any year, the list of the previous year shall be re-published according to the provisions of Section XVIII, and shall thereupon be deemed to be the assessment or rate for the current year,

and shall be open to appeal under the next succeeding Section.

XX. Any person assessed or rated, who shall be dissatisfied with his assessment or rate, or who shall dispute his occupation of any property on his liability to be assessed or rated, may appeal on unstamped paper to the Magistrate, and the Magistrate, after making such inquiries as he deems necessary, by examination of the appellant on oath or solemn affirmation, or otherwise, may confirm the assessment or rate or amend the same. In case the Magistrate confirm the assessment or rate, he may award costs against the appellant. The decision of the Magistrate in such cases shall be final, and no objection shall be taken to any assessment or rate, nor shall the liability of any person to be assessed or rated be questioned in any other manner or by any other Court. Provided

that no appeal shall be received after the expiration of one month from the time of the notification of the assessment or rate prescribed by Section XVIII, or of the notification of the substitution of the name of an occupier under Section XIX, unless the Magistrate, upon reasonable cause shown, shall extend the time for receiving such appeal.

XXI. The Commissioner of Circuit, with the consent of the Local Government, may at any time direct the Magistrate to revise the assessment or rate of any city, town, or other place as aforesaid, specifying the reasons which, in his opinion, render such revision necessary, and the Magistrate shall, according to such direction, revise and, if necessary, amend the same.

Commissioner of Circuit may direct revision of assessment or rate.

XXII. The Magistrate may require the punchayet to revise the assessment or rate at any period during the year; but on every such occasion he shall address a written order to the punchayet, specifying the reasons which render such revision necessary, and requiring an amended return within a stated period.

Magistrate may direct revision at any time of the year, for reasons to be stated.

XXIII. Whenever any assessment or rate is revised during the year, as provided in the two last preceding Sections, a revised list, together with a Notification as prescribed in Section XVIII, shall be prepared and published in the manner therein directed. And all objections to such revised assessment or rate shall be made and dealt with in the manner prescribed in Section XX.

XXIV. If any person appointed a member of a punchayet refuse to undertake the office, or omit to perform the duties thereof, and do not, within fifteen days from the date of his appointment, show satisfactory grounds for his refusal or omission, or provide such a substitute as the Magistrate approves, the Magistrate may fine such person in a sum not exceeding fifty Rupees.

trate may himself make or revise the assessment or rate, and may enforce the same as if it had been made or revised in the first instance by the punchayet. Provided that the functions of the

Proviso. punchayet shall not thereby absolutely cease and determine, but may be resumed at any time, only not so as to invalidate any act done by the Magistrate under this Section.

XXVI. No person shall be bound to act on a punchayet unless he shall be bound to act on a reside or carry on business within the limits of the district or which the punchayet is to be appointed.

XXVII. Every punchayet shall be appointed for the period of one year, and no person shall be compelled to serve on a punchayet for more than one year at a time, or within less than three years after the expiry of previous service; but nothing in this Section shall prevent any person from being appointed to serve on a punchayet at any time whatsoever with his own consent.

XXVIII. If a majority of the persons assessed or rated in any district for which a punchayet shall be appointed, not being in arrears, make application in writing to the Magistrate for the removal of any member of the punchayet appointed for such district, the Magistrate, if he think it expedient, may remove such member from the punchayet.

XXIX. If any vacancy shall occur among the members of a punchayet, or if any member appointed shall refuse or decline or be unable to act, the Magistrate may nominate and appoint another person to supply the vacancy or to act in the stead of such member, subject to the rules already laid down as to the original appointment of members; but such appointment may be made by a written communication to the person appointed, and it shall not be necessary to issue a new summons under Section XIV of this Act.

XXX. The punchayet shall give notice to the Magistrate of any neglect or misconduct on the part of any Chowkeydar within the district for which they are appointed which shall come to their knowledge; and shall also give notice of any vacancy which shall occur in consequence of the death or absence of any Chowkeydar or from any other cause.

XXXI. In cities and large towns containing three or more divisions or districts, the Magistrate may appoint a sudder punchayet consisting of not less than five members, who may be selected either from the members of the local punchayets or from any other residents of the city or town. It shall be the duty of the sudder punchayet to assist the Magistrate, when required so to do, in carrying out generally the objects of this Act, and particularly in revising the assessment or rate made by the district punchayets and enquiring into and reporting on appeals preferred against the same.

XXXII. The Chowkeydars to be employed under this Act shall be appointed by the Magistrate, and the Magistrate shall cause to be kept a register in which shall

be entered the name, age, place of residence, and previous occupation of every person so appointed, with the date of his appointment.

XXXIII. Subject to the approval of the Commissioner of Circuit, the Magistrate may appoint such number of Jemadars and Inspectors as may be necessary for the supervision and control of the Chowkeydars. Provided that the number of these officers shall not be greater than one Jemadar to fifteen Chowkeydars, and one Inspector to sixty Chowkeydars.

XXXIV. Subject to the approval of the Commissioner of Circuit, the Magistrate may appoint one or more Tax Collectors or Darogahs and such other servants as may be necessary for preparing, or assisting the punchayet in preparing, the assessment or rate, for copying the same, for collecting the tax, keeping the accounts and records, and otherwise carrying out the purposes of this Act. The Magistrate shall take from every Tax Collector or Darogah such security for the due disposal of the sums collected by him as may be thought necessary.

XXXV. The Magistrate may further incur any reasonable expense in the purchase of stationery, in providing badges, dresses, and weapons for the Chowkeydars, and for any other contingencies that may seem to him necessary.

XXXVI. After paying the wages of the Chowkeydars, and defraying the charges specified in the three last preceding Sections of this Act, the Magistrate may, with the sanction of the Commissioner of Circuit, appropriate any sum which may be available, to the purpose of cleansing the city, town, or place, or of lighting or otherwise improving the same.

XXXVII. The Tax-Darogahs appointed under this Act, shall be employed exclusively in the duties hereinafter described. They shall be responsible to the Magistrate and subject only to his orders.

XXXVIII. The Tax-Darogahs shall prepare, from the lists hereinafter mentioned a Register, which shall be attested by the Magistrate or his Deputy or Assistant, and shall contain the names of all persons assessed or rated so far as they can be ascertained, the property in respect of which the assessment or rate in each case is imposed, and the amount payable monthly by each person.

XXXIX. On the tenth of each calendar month or so soon after as possible, the Tax-Darogah shall proceed in person or through some one of his office establishment, to collect the amount due for the current month from each person subject to the tax; and for all sums so collected, the Darogah shall grant a receipt. Provided that, with the sanction of the Commissioner of Circuit previously obtained, the collection may be made quarterly instead of monthly; and in such case, the amount due for each quarter shall be collected in the last month of that quarter.

XL. The Tax-Darogah shall remit to the Magistrate, in such manner as the Magistrate shall direct, all sums of money collected under

by himself or by any one of his establishment, and the Magistrate, or some officer of his establishment authorized on that behalf, shall give the Darogah a receipt for every sum of money so remitted. The Magistrate shall also cause all such sums of money to be credited to a separate Fund, to be called the Chowkeydaree Fund of the city, town, or place in or on account of which they are collected.

XLII. The Tax-Darogah shall prepare all summonses and processes to be issued against defaulters, and shall make the usual returns thereto, and shall keep a regular account of all distresses levied and sales made by him for the realization of arrears.

XLIII. On the 20th of each calendar month, or as soon after as possible, the Tax-Darogah shall deliver or transmit to the Magistrate, in one list, a statement of all defaulters, the property in respect to which they are assessed or rated, the amount of the monthly assessment or rate, and the amount due from each.

XLIII. On receipt of the aforesaid list, the Magistrate shall issue a summons against each of the defaulters therein mentioned, requiring him either to pay the demand or to attend at the Cutcherry of the Magistrate within a reasonable time, to be specified in the summons, to show cause for his refusal.

XLIV. If any defaulter fail to appear in answer to the summons, or, having appeared, fail to satisfy the Magistrate that no arrear is due from him, the Magistrate may issue a warrant to the Tax-Darogah, authorizing him to levy the whole or any part of the demand by distress and sale of any goods and chattels belonging to the defaulter, or being at any time upon the premises in respect of which the arrear is due; and the Magistrate's order as contained in the warrant shall be final.

XLV. The Tax-Darogah shall make an inventory of all goods and chattels seized under the Magistrate's warrant, and shall give previous notice of the sale, and the time and place thereof, by beat of drum in the district in which the property is situated. If the arrear is not paid with costs, or the warrant be not in the meantime discharged or suspended by the Magistrate, the goods and chattels seized shall be sold at the time and place specified, in the most public manner possible; and the proceeds shall be applied in discharge of the arrears and costs, and the surplus, if any, shall be returned on demand to the person in possession of the goods and chattels at the time of the seizure. The Tax-Darogah shall make a return of all such sales to the Magistrate in the form specified in Appendix D., and the costs upon every such proceeding shall be such as are mentioned and set forth in Appendix E. annexed to this Act.

XLVI. Any Tax-Darogah or other servant appointed under this Act, and any Chowkeydar or Officer of Police, who shall purchase any property at any such sale as

aforesaid, shall be liable, upon conviction before a Magistrate, to a penalty not exceeding fifty Rupees; and the property shall be confiscated.

XLVII. If no sufficient goods or chattels belonging to a defaulter, or being upon the premises in respect of which he is assessed or rated, can be found within the district in which the premises are situate, the Magistrate may issue his warrant to the Nazir of his Court for the distress and sale of any personal property or effects belonging to the defaulter within any other part of the jurisdiction of the Magistrate, or for the distress and sale of any personal property belonging to the defaulter within the jurisdiction of any other Magistrate whatsoever; and such other Magistrate shall back the warrant so issued, and cause it to be executed, and the amount, if levied, to be remitted to the Magistrate issuing the warrant.

XLVIII. All goods and chattels, except tools or implements of trade, which may be found upon any premises in respect of which an arrear is due, shall be liable to be distrained for the recovery of such arrear. If the goods and chattels belong to any person other than the defaulter, the defaulter shall indemnify the owner of such goods and chattels from any damage he may sustain by reason of such distress or by reason of any payment he may make to avoid such distress or any sale under the same. Provided that no distress shall be made for any arrears due under this Act after the expiration of six calendar months from the time when such arrears became due.

XLIX. Every person who shall wilfully obstruct or molest any Tax-Darogah or any of his establishment, in the performance of their duties under this Act, or shall fraudulently conceal, remove, or dispose of any of his property for the purpose of avoiding a distress under the provisions of this Act, or shall knowingly assist any other person in so doing, shall be liable, on conviction before a Magistrate, to a penalty not exceeding fifty Rupees.

L. The Magistrates shall receive and try all complaints preferred on oath or solemn affirmation against any Tax-Darogah or other person appointed under this Act, for extortion, malversation, or other misconduct in the discharge of his duty. On proof of any such offence, the Tax-Darogah or other person as aforesaid shall be liable to dismissal from office, and to imprisonment, with or without labor, for a period not exceeding six months, and may also be compelled to refund any money corruptly or unduly exacted or received, and to deliver up any effects which may have been illegally distrained or sold, or the value thereof, or in default and until such delivery or refund be made, shall be liable to further imprisonment, with hard labour, for not more than six months. But nothing in this Section shall be taken to prevent the Magistrate from committing any Tax-Darogah or other person as aforesaid for trial before the Sessions Court, or to limit the power of the Sessions Court

THE following Bill was read a second time in the Legislative Council on the 16th August 1856, and was referred to a Select Committee who are to report thereon after the 20th of October next:—

A Bill to consolidate and amend the Law relating to the cultivation of the Poppy and the manufacture of Opium in the Presidency of Fort William in Bengal.

WHEREAS the existing law relating to the cultivation of the Poppy and the manufacture of Opium on account of Government is in some respects inconsistent with the practice which now obtains under agreement between the Opium Agents and the cultivators, and it is expedient that such inconsistency should be removed; and whereas it is also expedient that certain obsolete Regulations relating to the provision of Opium should be formally repealed, and that the laws for preventing the illicit sale

tivation of the Poppy, and for regulating the cultivation of the Poppy and the manufacture of Opium on account of Government, should be consolidated and amended: It is enacted as follows:—

I. Regulation XXXII. 1793, Regulation XXXII. 1795, Regulation LIII. 1795, Sections 1 to XL of Regulation XIII. 1816, and Clauses 1 to 5 Section XVIII and Sections XXIII and XXIV of Regulation VII. 1824, of the Bengal Code, are hereby repealed, except so far as they repeal the whole or part of any other Regulation, and except as to acts done, offences committed, and liabilities incurred, before the passing of this Act.

II. The cultivation of the Poppy and the manufacture of Opium within the Territories under the Presidency of Fort William in Bengal, except on account of Government, are hereby prohibited.

III. The importation by land, into the said Territories, of Opium the produce or manufacture of any other territories or country, except with the express sanction of Government, is hereby prohibited.

IV. The superintendence of the provision of Opium for Government shall be entrusted to Agents, or other Officers, being Covenanted servants of the Company, duly appointed by Government in that behalf, who shall perform the duties connected therewith under the control and direction of the Board of Revenue. The Agents, or other Officers as aforesaid, shall be assisted by Deputy Agents and Sub-deputy Agents, or such other Officers, Covenanted or Uncovenanted, as the Government may from time to time appoint for the purpose. The Collector of the district shall ordinarily, and unless Government shall otherwise direct, be ex-officio Deputy Agent; and the relative duties and powers of the Deputy Agents and Sub-deputy Agents shall be from time to time regulated by the Board of Revenue with the sanction of Government.

V. The Opium Agents, and their subordinate Officers of every description, are declared amenable to the Civil Courts for all acts done by them in their official capacity, except as otherwise herein provided. But no suit shall be instituted against an Agent, or any subordinate Officer, unless the person who shall consider himself aggrieved by the act of such Agent or Officer shall have first made application for redress to the Agent himself. In the event of such person not being satisfied with the order which the Agent may pass upon his application, it shall then be competent to him either to lay his case by petition before the Board of Revenue, or at once to seek redress in the Civil Court.

VI. The Opium Agents shall not in their official capacity institute any suit in a Civil Court without the previous sanction of the Board of Revenue.

VII. In cases in which the Board of Revenue may judge it expedient, or in which they may be so directed by Government, they may take upon themselves, or entrust to an officer specially appointed for the purpose, the superintendence of the prosecution or defence of any suit or appeal in which they, or an Agent, or any other Officer subordinate to them, may be engaged, instead of leaving such superintendence to the Agent or any other Officer.

VIII. The Board of Revenue, with the sanction of Government, shall from time to time fix the limits within which licenses may be given for the cultivation of the Poppy on account of Government. With the like sanction they shall from time to time fix the price to be paid to the cultivators for the Opium produced. The price shall be fixed at a certain sum per seer of eighty sicca weight for Opium of a certain standard consistence, and shall be subject to a rateable reduction, according to a scale sanctioned by the Board of Revenue, for Opium of a consistence below the standard.

IX. The Sub-deputy Agents, or other Officers entrusted with the superintendence of the cultivation, shall, at the proper period of the year, issue licenses to the cultivators, who may choose to engage to cultivate the Poppy, and to deliver the produce to the Officers of Government at the established rates. Every license shall specify the number of beegahs which the party engages and is authorized to cultivate, and the rate of advance, if any, which he is to receive, and shall be in such form as the Agent, with the sanction of the Board of Revenue, may direct. A counterpart engagement, in conformity with the tenor of the license, shall be taken from the cultivator.

X. It shall be at the option of every cultivator to enter into engagements for the cultivation of the Poppy or not as he may think fit; and it shall be at the option of the Sub-deputy Agent, or other Officer as aforesaid, to withhold a license from any cultivator whenever he may think proper so to do. Any person to whom a license has been refused may appeal to the Agent, and the decision of the Agent shall be final.

XI. Any Sub-deputy Agent or other Officer as aforesaid, or any inferior Officer employed in the provision of Opium, who shall compel, or use any means to compel, any cultivator to enter into engagements, or to receive advances, for the cultivation of the Poppy, shall be liable to be dismissed from his situation. All complaints preferred against Sub-deputy Agents or other Officers as aforesaid may be enquired into by the Agent

or referred by him to the Deputy Agent for enquiry and report, and all complaints against inferior Officers shall be enquired into by the Officers to whom they are subordinate.

XII. At the proper period of the year, the Sub-deputy Agent, or other Officer as aforesaid, shall make an estimate of the quantity of Opium which the land engaged for and cultivated with Poppy in his district is likely to produce, and shall forward the same to the Agent for transmission to the Board of Revenue. If, at the time of making such estimate, it shall be found that any cultivator, who has received advances from Government, has not cultivated the full quantity of land for which he received such advances, he shall be liable to a penalty of three times the amount of the advances received for the land which he has failed to cultivate; and the said penalty may be adjudged by the Deputy Agent or Collector, on the complaint of the Sub-deputy Agent or other Officer as aforesaid.
